Wishing you and your 4-legged friends a very happy holiday!

Hi THRC Friends and Guests,

Thanks to everyone that helped at the Fall Hunt Test. I only got to see the handlers and dogs in Master C, and I missed seeing everyone else. I want to thank Sue McDonald for judging with me at the last minute. I hope the handlers enjoyed the weekend as much as we did! The weekend went very smoothly other than the deer that ran in front of a dog truck on the way to the test Sunday morning. Fortunately, no one was hurt! There was an angel watching over us.

All six of the 2012 Master National judges are coming to judge our Spring Hunt test. Mary Williams, who judged the 2010 MN in California, will also be judging the event. Mary Veitch is going to be the event secretary. We are going to need LOTS of volunteers to make this event go smoothly-transportation, marshals, lunch delivery, etc. Please help out when you can, and make sure to do a rain dance for the ponds at Borderline!

[2012 Master National Event](#) information is being updated as the information is available. Bookmark this page so you can check back and see a slide show of the grounds. The host club is updating information, so you may want to keep an eye on their website:
