Dear Club Members and Guests,

On Sunday, January 28, 2007, the annual membership and election meeting was called to order at the home of Sallie Sullivan.

Dr. Beckey Malphus, V.P, then called for an election of board members. Since there were no nominations from the floor and the sitting members would accept re-election the ballots were handed out and a vote taken. Sallie Sullivan, Jerry Perkins, and Bear Strickland were elected. Being no other business the meeting was adjourned.

At this time all were invited to share dinner in honor of Wayne Dodson and Copper for winning the National Open. A great time and great food was enjoyed by nearly 80 members.

Right after the general meeting the new board held a meeting to elect officers for the new year:

- Sam Ferguson, President
- Jerry Perkins, Vice President
- Bear Strickland, Secretary
- Jim Branning, Treasurer

Next Board meeting will be Tuesday, February 20, 2007 at Sallie Sullivan's.

"My little dog---a heartbeat at my feet." - Edith Wharton

THRC is pleased to sponsor this canine health clinic. We truly appreciate Dr. Beckey Malphus and Dr. Dan Brown's assistance to do the CNM and CERF exams on Sunday, March 18th—during the second day of our Spring Hunt Test. Canines do not need to be entered into the hunt test to be examined, however, both exams require AKC registration numbers and microchip or tattoo permanent I.D.. If needed, microchip kits will be available for an additional charge. Additional details can be found on the [Tallahassee Hunting Retriever Club](http://www.tallahasseehuntingretrieverclub.com) website.
